The hero, Chaneil, has all of her possessions stolen, including her most prized possession – a dragon, despite the law forbidding dragons. It's a clever, well written historical novel that kept me turning the pages. Jo Goodman is the author of the historical novel The Edge of the Blade (a finalist for the Guardian Children's Fiction Prize), and the short story collection Behind Closed Doors. She lives in Bath, UK, with her family.Polling results are still trickling in, but we now have some new numbers to tell you about. When the polls closed across the country in advance of Election Day, five pollsters, including the two most-cited by national media outlets, had Trump's lead at between 4 and 8 percentage points. Two other polls had Hillary Clinton with a lead, while one had it a tie and one had it in the Democrats' favor. As Election Day approached, FiveThirtyEight's polling average, which polls an average of all of the public surveys in a given state, had Clinton leading the race by 1.8 percentage points. We've gotten the results of the election in all 50 states and D.C., and we've assigned each one to one of the six major races.
