I think in more than one language such a video is impossible to show on your system. The only thing you can choose is the audio track. But, since I do not know how you have the video already, I only can advise you to make sure that you have installed the right version of the video. Moreover, have you selected the right input-mapping? Have you, before running this video, tried it from another source? CAPO's Greg Hahn on the Future of Hurricane Recovery Associate Professor Greg Hahn is a native of Louisiana and a lifelong resident of New Orleans. So it is fitting that he has spent most of his career studying the effects of Hurricanes
