Health/Production/Army/Royalty/Production (Cool down) Calgon was originally established in 1945 by Edwin Weiser & Louis Bachrach to help care for people who are visually impaired and have other disabilities. In 1972, Calgon acquired a large and diverse base of customers that includes people with amputations. Our main product line of medical grade bed sheets and medical-type sofas and chairs. We also have specialty products for people who are deaf, mute or deafblind. All of these products are designed with these individuals in mind. In 1978, CALGON became a manufacturing company and began producing its own line of sanitary products. Since then, CALGON has become the leading supplier of sanitary products to hospitals and nursing homes. These products are sold all over the world as well as to the general public. Soon after its inception, CALGON began producing its own line of

medical-grade bed sheets. This product line soon became one of the leading private labels in the hospital and healthcare market. CALGON has gone through many technological changes since the founding of the company but has remained an innovative leader and continues to fulfill its mission of supplying quality products that enrich the lives of those who depend on them daily. CALGON has a history of working hard and being committed to its customers. CALGON continues to be one of the largest supplier of surgical bed linens in the United States. We remain committed to delivering for our customers the quality, value and service they deserve. CALGON has become a leader in its industry
