What's New in the Advanced Traffic Strategy?

Once a user clicks on an ad, the system loads a tiny script that tracks their behaviour online. It then sets a cookie on their computer that tells your site who they are and what they did on your site. Features: Advanced Traffic is a new plugin that offers you to automatically show your recent visitors. Also, it allow you to fetch information about Alexa rank of your site. Norman 12/30/2017 Bought the license for this on themeforest with the budget theme which is another great addition. Thanks Mike 12/30/2017 It's very good plugin. Easy to use, works on all major browsers. I've used it a lot and it is one of my favorite themes. Galen 12/28/2017 Very nice and easy to use. I like the many options and how well it makes use of the space it has on the screen. Very good value for the money Benny 12/27/2017 Very useful. I will certainly use it Liliet 12/25/2017 I've been looking for such a tool for some time, and I'm glad I found Advanced Traffic Strategy, because it works fine, as shown in the screen shot, and the performance is excellent. m 12/25/2017 I've been looking for something like this for a long time. I was looking for a way to show the traffic from my clients sites to my own. This is exactly what I've been looking for. alvar 12/25/2017 very good Richard 12/24/2017 good resource Srinivas 12/24/2017 Very good plugin, installed on 5 websites and is working fine Cletus 12/24/2017 I was skeptical at first, but i must say the plugin is really good. I've tried some free ones and they were basic at best. This one has a lot of options. I've also purchased a pro version and that does a lot more, but this one is pretty sufficient. Daniel 12/21/2017 A must-have add-on Jeremy 12/20/2017 The plugin is great, very easy to use. I've tried other ad networks and they don't work as well as this one does. I think the creator should be very proud of his work. Daniel 12/19/2017 The plugin is great, very easy to use. I've tried other ad networks and they don't work as well as this one does. I think the creator should be very proud of his work. Daniel 12/16/2017 The plugin is great, very easy to use.
