What's New in the TV Show Folder Icon Pack ICO?

* Broadcast your TV show data to the cloud on any mobile device or desktop! * Detect TV show folders and group accordingly * Great covers for thousands of TV shows on the iOS/Android platform The TV show folder icons and folders will grow along with your apps collection. Each folder adds a new layer to the TV show folder icons and folders. Each folder also contains TV show icons of genres. As many apps as you can put on your mobile device you can select many different folders that represent the TV show genre. For example you can add as many TV shows as you want in each folder. Each folder represents its own web page. Each TV folder contains the genre TV show category with its own sub-genre. You can make the folder as exclusive as you want. The more TV shows you have, the bigger the folder and each TV show will be visible on the folder icon. You can also rename the folder to anything you like.). If you have some extra icons you would like to share, you can upload a new icon pack to your App Store/GooglePlay/XFilesMarket to share with your followers. ** New release to fix iOS issues:** * App improvements * iOS version improvements * Stability improvement ** Take a look at my movie icon packs too:** KittyCatClip Clock is a free HD Screensaver for your computer.
