Bid to reduce flooding increases A coalition of environmental groups and one of the nation's most prominent engineers has been given approval to pursue a new plan to reduce flooding in the Lower Pecos River Basin. Last month, the Lower Colorado River Authority voted unanimously to pick a consultant to do an economic study of a project called the Bowman Dam Project. But the coalition of environmentalists that includes the Friends of the Llano Estacado and the Lower Colorado River Authority and one of its engineers are d0c515b9f4
